Dear Bradford Theatres Booker

Access and Carer Membership Scheme - Group/Organisation Membership

As a group organiser who has used our services previously, we are writing to inform you about a new scheme at Bradford Theatres.

Our **Access and Carer Membership Scheme** recognises that some customers need additional assistance to access the services within Bradford Theatres venues which include:

- Alhambra Theatre
- St George's Hall
- The Studio
- King's Hall, Ilkley

Bradford Theatres and Bradford Council are committed to ensuring all customers can participate and enjoy Bradford Theatres events equally. We recognise our responsibilities under the Equalities Act to undertake reasonable adjustments to the services we deliver and have introduced this new Scheme for customers who need someone to be with them to access the services or facilities within Bradford Theatres. Membership is free and valid for a period of three years.

This Scheme is not open to, or intended for, customers who simply want to accompany someone or just need transportation to Bradford Theatres venues.

Groups and organisations of, or supporting, disabled people can obtain an additional reduction in ticket price through the Scheme. To join, an appointed representative of the organisation will need to complete and sign the application form and return it to the address above. Carers will need to familiarise themselves with the Bradford Theatres venue to be visited and the location of services and facilities contained within it. It will be important to speak to a member of our Front of House team if any disabled customer has complex needs and to receive advice about our evacuation procedures.

A carer is also required to be available at all times to assist the disabled customer during their visit. We recommend that a carer be 14 years of age or above, in line with our guidance on admitting unaccompanied children into the auditorium. If a carer is under 14, please tell us about their particular situation at the end of the application form.

If your group/organisation qualifies under the Scheme they will receive a reduction on the cost of their visit for their carers. In some circumstances they may also receive a reduction to the ticket price. Memberships are non-transferable. Only one discount applies per ticket.

If your application is declined you can ask for the decision to be reviewed. In exceptional circumstances we will consult with specialist Council staff who work on disabled people's issues.

The information provided will only be used to determine whether your group/organisation qualifies to join the Access and Carer Membership Scheme. There is space on the form to tell us about your service users' particular needs. Information about any mobility aids or supporting equipment they use will help us understand how we might best be able to meet their needs and ensure your party has an accessible and enjoyable experience.

The information given is protected by the Data Protection Act and will only be used for the purposes identified above. Once a decision has been made we will securely dispose of any documentation stored by us for the purposes of processing your application. We reserve the right to withdraw memberships at any time if we feel this service is being misused.

The Access and Carer Membership Scheme was launched on **Tuesday 1 March 2016**.

We look forward to seeing you at one of our venues in the near future.

Yours sincerely,

Adam Renton
