Happy New Year!

Your Friends Membership

I am sure we can all agree that 2020 was a very difficult year for everybody. The current coronavirus pandemic has had devastating results on theatres across the country and as a Friend of Bradford Theatres we thank you for your support.

During this difficult time we have made sure that you were still able to access the majority of your benefits – things like saving money on tickets for forthcoming shows, being able to book before the general public and a jam-packed Friends newsletter every month. We have even created short films about our venues that we have shared with Friends members before anyone else. Obviously we understand this does not replace the magical experience of coming to the Theatre, so when the venues closed we agreed to a series of extensions to the Friends membership scheme that took us to a minimum of 14 December 2020.

Now we begin a new year and there's more positive news on the horizon. We're unable to offer the free extensions, but we do hope you'll feel able to continue to support Bradford Theatres so that we can continue to offer the best in live entertainment.

Now on sale at the Alhambra Theatre!

Please see website for details of access performances
