We can't stop the future from arriving, no matter what drugs we're on. But even if nearly every part of us becomes robotic, mechanical fingers crossed we'll still have our minds. Hopefully we'll use them for things like compassion, instead of just chasing what's 'better' like a hamster on a wheel. If we can do that, we're on the yellow brick road to happiness. Ruby has a little help from monk Gelong Thubten, who explains how the mind works, and neuroscientist Ash Ranpura who explains where everything that makes us 'us' can be found in the brain. **How to be Human** is the show you need to help you upgrade your mind as much as you've upgraded your iPhone. This is the follow up to Ruby's sell out shows *Sane New World* and *Frazzled*.

THE CHICAGO BLUES BROTHERS: MOTOWN MISSION Fri 16 November 2018, 7.30pm

With hits from Aretha Franklin, Ray Charles, Sam and Dave, James Brown, The Temptations, The Four Tops, Jackson 5 and the Supremes, and backing from the multi award winning CBB Band and the incredible Sweet Soul Sisters, a new stage set and state of the art full stage projection - this is one show you can't afford to miss.
