### Great news from Bradford Theatres!

We're delighted to let you, our wonderful Bradford Theatres Friends, know that we have received funding through the second round of the government's Culture Recovery Fund. This grant is to support cultural organisations, like Bradford Theatres, dealing with the challenges of the coronavirus pandemic and to ensure that we can continue to be Here For Culture.

This grant is welcomed as a lifeline for our iconic venues, helping to support and preserve Bradford's arts and cultural life for the future. We can't wait to welcome you back to our venues very soon.
